The Generations Club

*This is **YOUR**
Park Foundation
for generations to come...*

*M*embers make an impact on the progress and enrichment of our Parks, Park Programs and Unique Facilities. You can assure Quality of Life and Healthy Living continues to be available through our Parks. As an exclusive group that perpetually commits to growing and maintaining the quality standards we have come to expect from our Parks system, giving to the Generations Club continues the legacy of providing intrinsic environmental, aesthetic and recreational benefits to our city.

*A*s a token of the Park Foundation's appreciation for providing the security and stability to carry on valuable recreational and healthy living options for our residents and visitors to our City, Generations Club members will receive:

- Recognition via the Park Foundation's website and will be made mention of at all Park Foundation events and projects.
- Members will receive "special attention and honored seating" at Park Foundation events.
- Members will be invited to at least one annual event in which Park Foundation Board Members will share progress and the "fruits of their contributions".
- As special thanks, Generations Club members will have access to the knowledge and skills of our talented Parks & Recreation staff to ask questions related to agriculture, arboriculture and horticulture through a special "Ask the Experts" private page on our website.
